THE FOUNDATION
FOR LAS VIRGENES SCHOOLS
TOGETHER HELPING EDUCATION

Annual Appeal 2026-2027

Dear LVUSD Families,

Thank you for supporting THE Foundation for Las Virgenes Schools during the 2025–2026 academic year. From THE Events such as Carnival, Poker Night, Battle of the Bands and Casino Royale, you brought our community together and raised funds for our incredible students and schools.

What does supporting THE Foundation do? Your gift supports smaller class sizes, elementary school specialists, and dedicated counselors for student mental health.

THE Foundation supports students throughout their LVUSD education. Supporting your school matters. Your donation to THE Foundation directly complements that support by helping fund teachers and counselors—expenses individual schools cannot fund directly.

Our goal is 100% LVUSD-family participation. Enjoy amazing event experiences enhanced by our VIP Club and Honor Roll members!

This year, we again call on our community for your support. We appreciate any gift amount, and **we encourage you to invest in your children's education by donating $500 to become a member of our VIP Club or $1,000 to join our Honor Roll.** These groups enjoy district-wide recognition as well as many benefits from special access to events to exclusive opportunities and experiences! Your tax-deductible gift supports students across our district.

Support your school for today and THE Foundation for Tomorrow.

Every Family. Every Gift. Greater Possibilities.

Sincerely,

Mark Madnick, President
Monica Parmar, Vice-President

When every family gives, our collective impact and investment create greater opportunities for all our students. P.S. When making your gift, be sure to indicate the school(s) your child/children attend.
